

A FIELD GUIDE TO

Colours

PRINTED FOR THE GRABFOLD PDF EXAMPLE

Saffron

#e9a23b

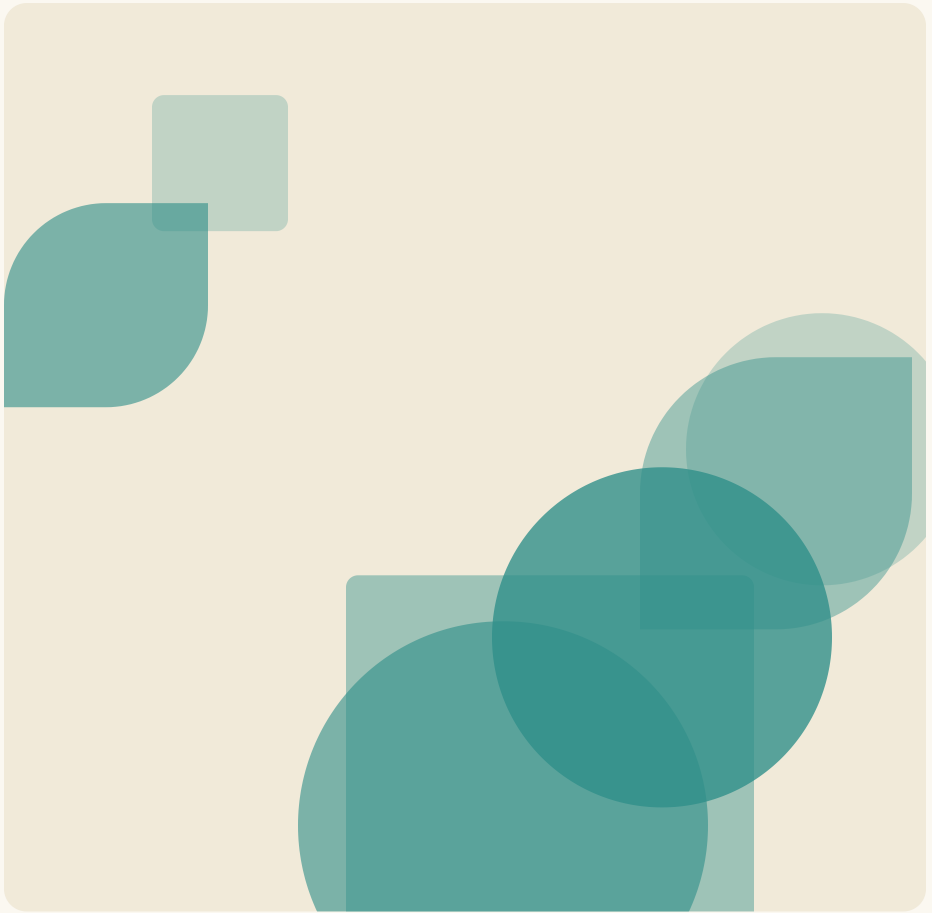

On saffron

Warm as a lamp left on in the hall.

Lorem ipsum is not used here; instead, a few honest lines about looking. Hold the page up to the light and the colour changes with the hour. Put it beside its neighbours and it changes again.

Lorem ipsum is not used here; instead, a few honest lines about looking. Hold the page up to the light and the colour changes with the hour. Put it beside its neighbours and it changes again.

Lorem ipsum is not used here; instead, a few honest lines about looking. Hold the page up to the light and the colour changes with the hour. Put it beside its neighbours and it changes again.

Tidewater

#2f8f8a

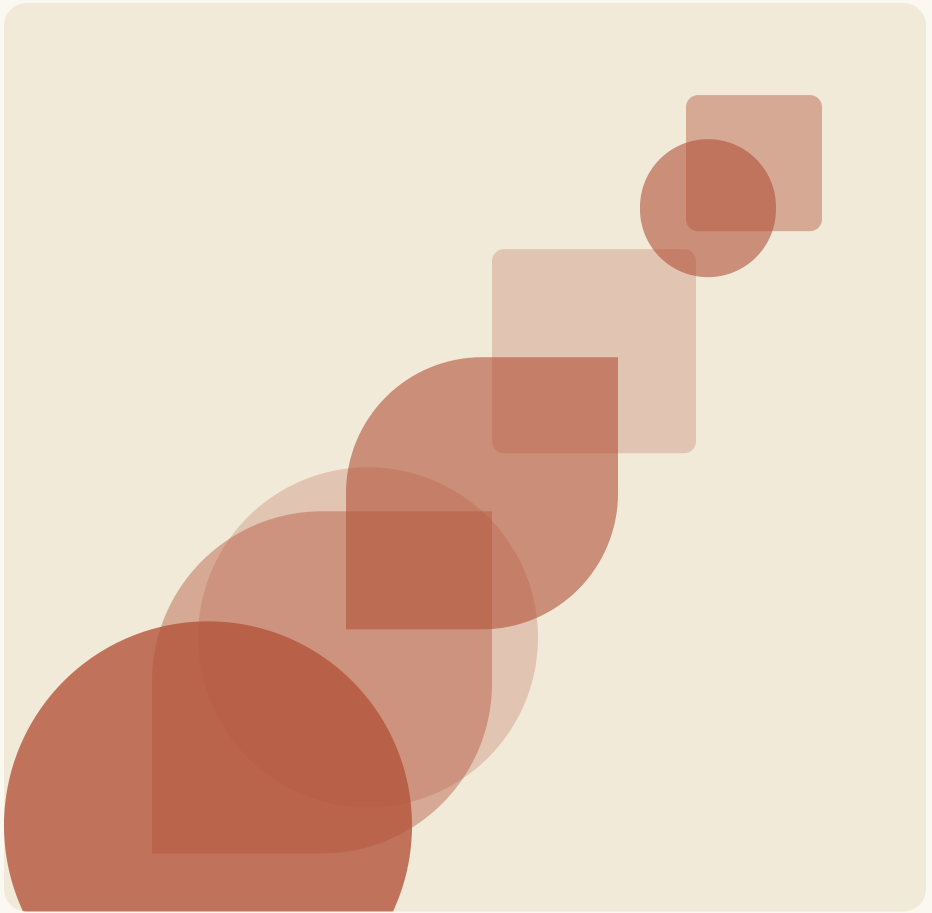

On tidewater

The sea on a morning that has not decided yet.

Lorem ipsum is not used here; instead, a few honest lines about looking. Hold the page up to the light and the colour changes with the hour. Put it beside its neighbours and it changes again.

Lorem ipsum is not used here; instead, a few honest lines about looking. Hold the page up to the light and the colour changes with the hour. Put it beside its neighbours and it changes again.

Heather

#8e6fa8

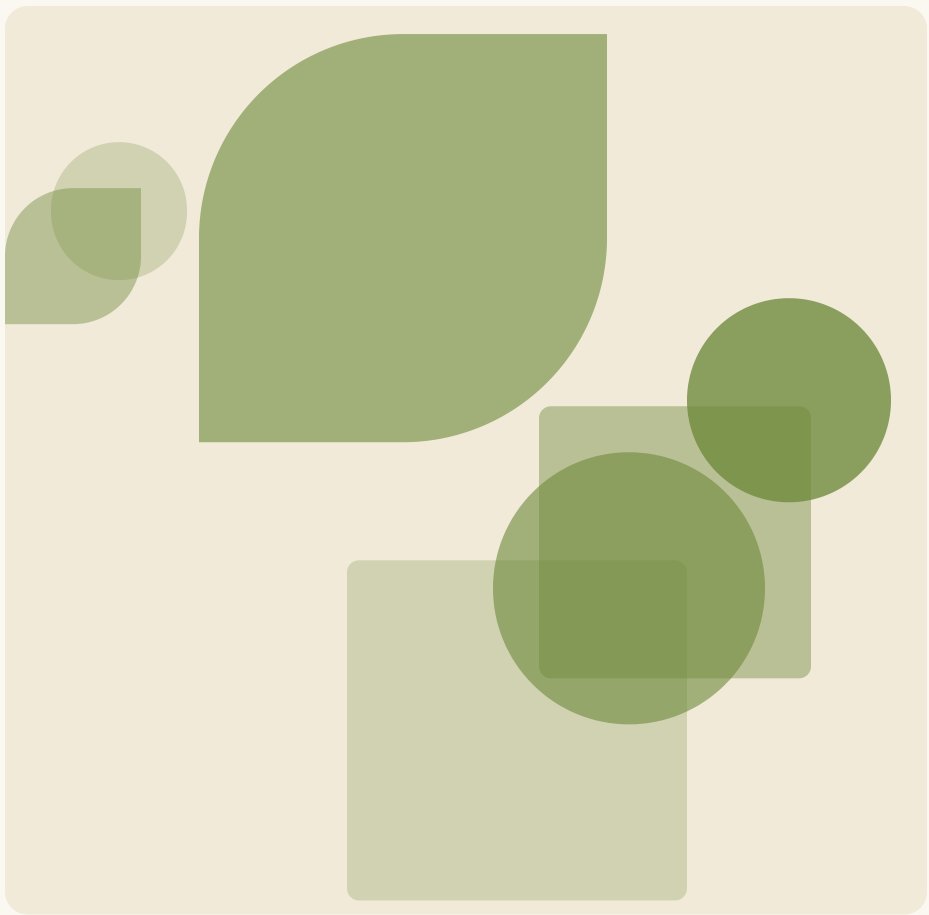

On heather

A hillside seen from a train, gone in a blink.

Lorem ipsum is not used here; instead, a few honest lines about looking. Hold the page up to the light and the colour changes with the hour. Put it beside its neighbours and it changes again.

Lorem ipsum is not used here; instead, a few honest lines about looking. Hold the page up to the light and the colour changes with the hour. Put it beside its neighbours and it changes again.

Lorem ipsum is not used here; instead, a few honest lines about looking. Hold the page up to the light and the colour changes with the hour. Put it beside its neighbours and it changes again.

Moss

#6f8a3c

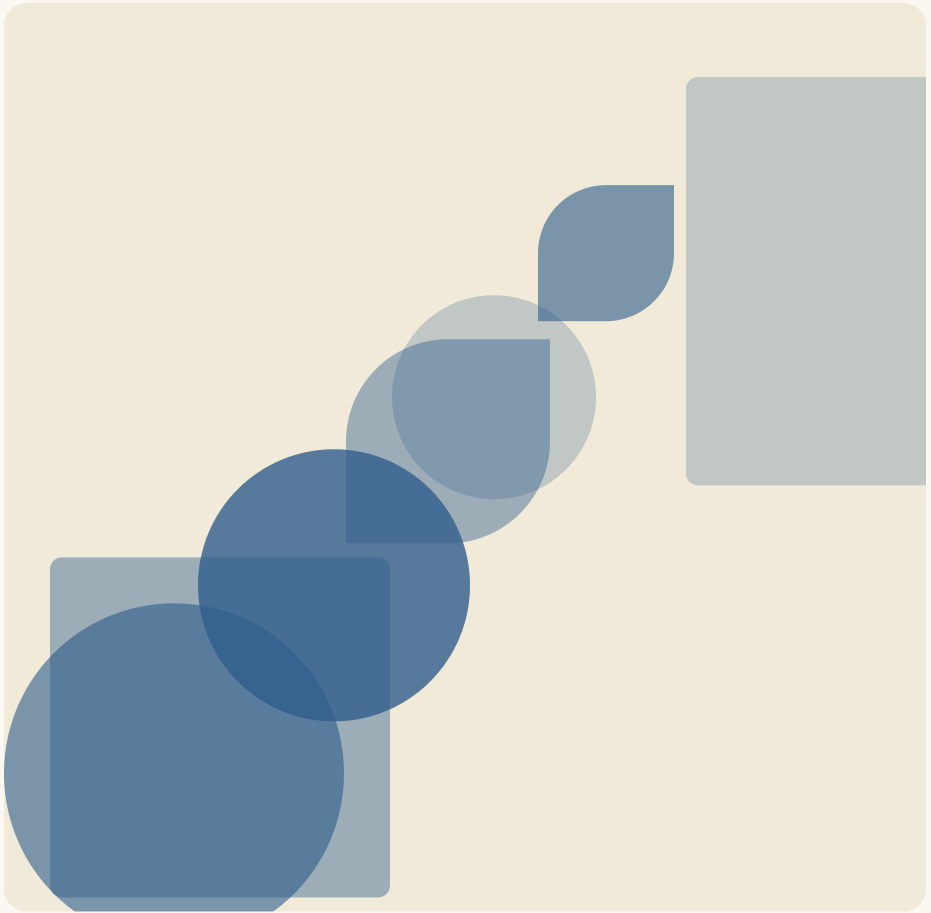

On moss

Soft underfoot, and older than the path.

Lorem ipsum is not used here; instead, a few honest lines about looking. Hold the page up to the light and the colour changes with the hour. Put it beside its neighbours and it changes again.

Lorem ipsum is not used here; instead, a few honest lines about looking. Hold the page up to the light and the colour changes with the hour. Put it beside its neighbours and it changes again.

Lorem ipsum is not used here; instead, a few honest lines about looking. Hold the page up to the light and the colour changes with the hour. Put it beside its neighbours and it changes again.

Harbour

#2e5d8c

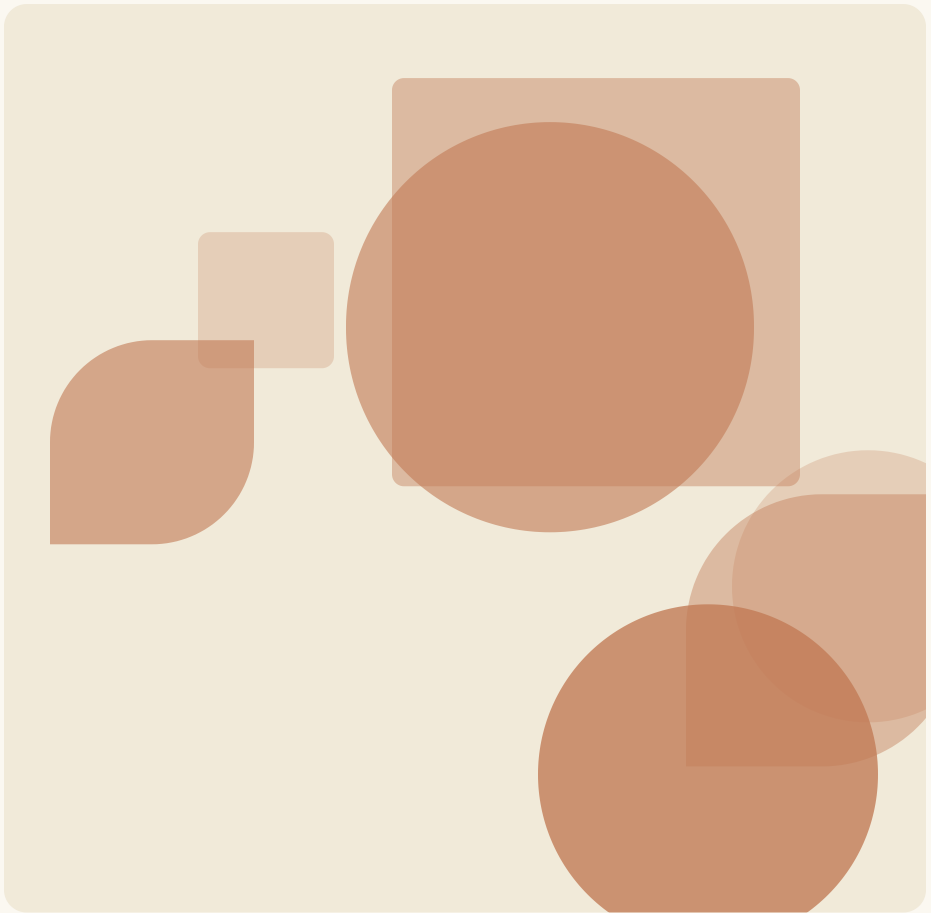

On harbour

Deep water with a light at the end of it.

Lorem ipsum is not used here; instead, a few honest lines about looking. Hold the page up to the light and the colour changes with the hour. Put it beside its neighbours and it changes again.

Lorem ipsum is not used here; instead, a few honest lines about looking. Hold the page up to the light and the colour changes with the hour. Put it beside its neighbours and it changes again.

Lorem ipsum is not used here; instead, a few honest lines about looking. Hold the page up to the light and the colour changes with the hour. Put it beside its neighbours and it changes again.

Clay

#c27b56

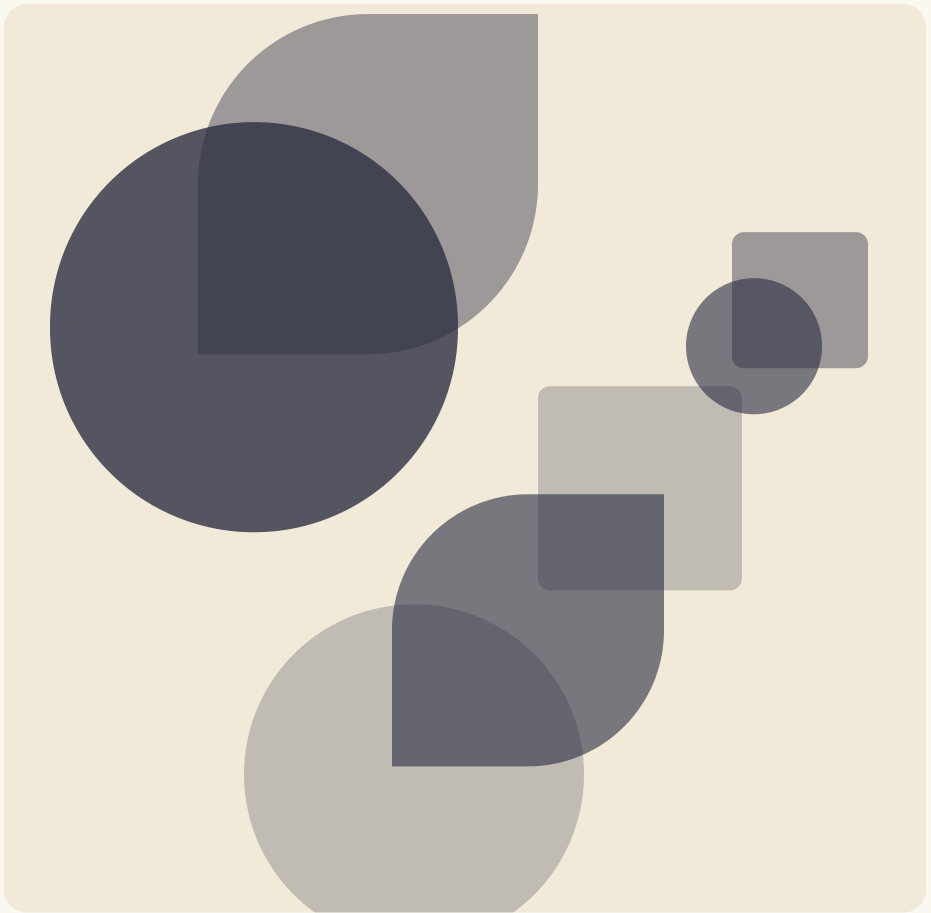

On clay

What the potter's hands smell of.

Lorem ipsum is not used here; instead, a few honest lines about looking. Hold the page up to the light and the colour changes with the hour. Put it beside its neighbours and it changes again.

Lorem ipsum is not used here; instead, a few honest lines about looking. Hold the page up to the light and the colour changes with the hour. Put it beside its neighbours and it changes again.

Lorem ipsum is not used here; instead, a few honest lines about looking. Hold the page up to the light and the colour changes with the hour. Put it beside its neighbours and it changes again.

Ink

#2b2d42

On ink

The last page, before anything was written on it.

Lorem ipsum is not used here; instead, a few honest lines about looking. Hold the page up to the light and the colour changes with the hour. Put it beside its neighbours and it changes again.

Lorem ipsum is not used here; instead, a few honest lines about looking. Hold the page up to the light and the colour changes with the hour. Put it beside its neighbours and it changes again.
